BLOODY BREAD RIOTS IN BERLIN AND LEIPSIC

SCORES KILLED AND WOUNDED; WOMEN CLAMORING FOR PEACE

(By Associated Press.)

LONDON, May 3.--Amsterdam reports "serious trouble" in Berlin and elsewhere in Germany. A dispatch says "vast crowds, mostly women of the laboring class, clamored for peace. Many were arrested." A Geneva dispatch says "during food riots in Leipsic the police killed three and wounded seventy." Riots in Berlin are reported with 25 killed and 200 wounded.

AGREEMENT REACHED WITH GEN. OBREGON

Gradual Withdrawal of American Troops, Who, in Meantime, Will Avoid Friction

(By Associated Press.)

EL PASO, May 3.--A tentative form of agreement is reported to have been reached between General Scott and General Obregon which is generally understood to provide for a gradual retirement of American forces. The agreement was further said to provide

that American troops do not enter any Mexican town or come into contact with the Mexican people so friction between soldiers and civilians will be prevented. General Obregon agreed to pursue Villa with all the available Carranzistas.

IRISH LEADERS ARE EXECUTED

SIGNERS OF PROCLAMATION PAY THE PENALTY OF HIGH TREASON

(By Associated Press.)

LONDON, May 3.--Four signatories to the republic proclamation in Ireland were tried by courtmartial, found guilty and shot. Patrick Pearse, "provisional president" was among those shot. Three other signers were sentenced to three years imprisonment.

Lord Asquith made an announcement to this effect in the House of Commons this morning.

A dispatch of April 13th gave the text of the proclamation issued by the insurgents in Dublin, with the signatures of Thomas Clark, S. MacDiarmaid, Thomas MacDonagh, E. Ceanot, James Connolly, Joseph Plunkett and Patrick Pearse.

Of the other signatories shot were Thomas Clark and Thomas MacDonagh.

(By Associated Press.)

DUBLIN, May 3.--The damage in Dublin is about \$8,000,000 from the recent disturbances, according to the fire chief's estimate. The report says 179 buildings were destroyed.

(By Associated Press.)

LONDON, May 3.--James Connolly, styled "commandant general of the Irish republican army" was one of those shot. Augustine Birrell, chief secretary for Ireland, resigned today.

IRISH REBELS AMBUSH AND KILL TEN POLICE

TRAGEDY OF RISING IN IRELAND IN COUNTY MEATH TOLD FROM BELFAST

(By Associated Press.)

BELFAST, Monday, May 1.--One of the most tragic affairs of the rebellion was the ambushing of a party of police in County Meath by rebels, with the result that 10 of the police were killed, 18 wounded and the rest compelled to surrender.

The police were proceeding in motor cars to Ashbourne, where the rebels had attacked police barracks, suddenly, at a junction of roads, the insurgents hiding in ditches, sent a fusillade of bullets into the party. A battle lasting nearly five hours ensued.

When virtually all the police had been either killed or wounded, the rebels closed in and forced the surrender of the detachment. The police had exhausted their ammunition before finally giving up the fight.

(By Associated Press.)

LONDON, May 3.--A Spain dispatch reports the Spanish vessel Vinifreda submarined with one of the crew lost.

GERMANY REVISES ITS ORDERS TO SUBMARINE COMMANDERS

(By Associated Press.)

BERLIN, May 3.--The draft of the German reply to the American note is finished. The reply is subject to minor alterations which may result from interchanges of views between Berlin and general headquarters. The attitude of the imperial government will be stated in precise terms. The

note will leave no room for doubt concerning the exact position assumed by Germany, which will communicate the definite nature of instructions that will be given submarine commanders and other data on which Washington itself can judge the situation.

(By Associated Press.)

WASHINGTON, May 3.--The an-

nouncement from Berlin that new and definite instructions are to be given submarines is the first positive indication of how Germany will attempt to meet President Wilson's final demand. Whether the instructions will meet the terms of the American note can only be determined by examination.

BULL MOOSERS SNOWED UNDER

REGULARS SWEEP THE PROGRES- SIVES OFF, THE BOARD IN CALIFORNIA

(By Associated Press.)

SAN FRANCISCO, May 3.--Returns have confirmed the success of the conservative or "regular" republican candidates for delegates to the national convention. Developments brought up by the vote of the United or "New" Republicans somewhat changed, but did not alter materially the nine to six lead established by the conservatives. Sylvester McAttee, campaign manager of the United, termed the result, "One of the surprises of the elections."

Republicans of the two factions have smoked the peace of pipe. Guy Earl on the United ticket attributed the victory of the Regulars to a desire on the part of the people to dispense with the Democratic national administration. Francis Keessling, chairman of the executive committee of the regulars, asserted the contest "created no rupture" and said: "Our effort will be to continue for harmony."

REBEL PRISONERS TAKEN TO ENGLAND

THOUSANDS ARE REMOVED FROM HOME TO BE TRIED ACROSS THE CHANNEL

(By Associated Press.)

DUBLIN, May 3.--The rebels are being tried under defense of the realm act. Cases against several women are under consideration. Other rebels were taken to England. One thousand rebel prisoners under military escort were marched through the streets and it is reported that several thousand had been taken to England.

PRESIDENT CRITICISED FOR SUPPLYING WINE

METHODIST CONFERENCE REPRIS- MAND REFERRED TO TEM- PERANCE COMMITTEE

(By Associated Press.)

SARATOGA SPRINGS, N. Y., May 3.--Criticism of the president for providing wine to his guests at banquets in the White House was expressed in resolutions submitted to the Methodist general conference by Rev. James Anderson, of Oregon, Missouri. The resolution was referred to the committee on temperance.

NO SEPARATE PEACE FOR BULGARIA SAYS GERMANY

(By Associated Press.)

BERLIN, May 3.--A semi-official telegram from Sofia characterizes as untrue reports that Bulgaria is attempting to arrange a separate peace.

LONE MOUNTAIN MINE SENDS OUT CARLOAD COPPER-LEAD-SILVER ORE

Lone Mountain is developing a number of shippers and the famous old district where the claims are chiefly owned in Tonopah promises to become one of the most regular and substantial shippers outside of this camp. The latest addition to the list is from the group owned by Owen Dougherty and Jimmy Dunn. Dougherty remains on the ground while his partner continues to work at the pumps of the Hallfax. The first shipment of 55 tons is sacked at McLean's station on the Tonopah & Goldfield railroad and it is expected that the shipping can be maintained around 100 tons a month.

Lou Walker has taken the contract to haul the ore which calls for a ten mile downhill pull over a good road. Two cars have been spotted on the siding so no time will be lost in waiting for empties. The values by the carload run between \$60 and \$80 with

the former figure as the safe average of the shipments. Samples from the platform shows silver 33.80 ounces, 2.9 per cent copper and 17.2 per cent lead. The group is on the west slope of Lone Mountain, seven miles south of the Lynch Mohawk Alpine property. The Dougherty-Dunn claims were worked before, but in the early eighties the cost of transportation was high and the price of copper and lead was too low to pay for the cost of operation so the claims were allowed to go by default. The ore now being shipped is taken from half way down an old 80 foot shaft where a set of skips were thrown in and stopping begun with the aid of a windlass. A whim will come next and then the ore will be lifted from the bottom of the shaft whence a drift has been run for some distance. The nearest water is Barrel Springs, five miles away.

PUMPS COMING FOR THE GREAT WESTERN

SUPERINTENDENT JOHN MAGEE RETURNS FROM THE COAST AFTER PLACING ORDER

John Magee, superintendent of the Great Western mine, returned from San Francisco this morning with a satisfied smile, confident that it will be only a matter of a few weeks before he will have the drills pounding once more in the crosscut where he left a bunch of stringers of rare promise. It is expected that the shaft and crosscut will be dewatered in about two weeks but it may be longer if any change in the flow is developed. Nevertheless Mr. Magee is well fixed for handling any ordinary flow as he will have four pumps running with a joint capacity of 400 gallons a minute which he thinks will hold the water in check. This belief is based on the fact that the present pump on the 850 level supplemented by the bailer is handling the water in good style and therefore the two additional pumps should leave the mine in working shape.

The new equipment will consist of a Gould triplex and a Luitwiler deep sinking pump with a capacity of handling 250 gallons a minute. The other two pumps will raise the flow to 400 gallons or close to 600,000 gallons daily. The pumps will arrive about the first of the week and it will take another week to install so that by the middle of May the mine should be back in normal shape for lateral work.

TIME NOT OPPORTUNE FOR FOREIGN ACTION

POSTPONEMENT OF RESOLUTION DEALING WITH RELATIONS TO OTHER NATIONS

(By Associated Press.)

WASHINGTON, May 3.--Action was indefinitely postponed today by the senate committee on foreign relations on all pending resolutions affecting foreign affairs, either in Mexico or peace in Europe. The committee determined this time was inopportune for action or any expression relating to peace or war.

CARSON RE-ELECTS OLD BOARD OF TRUSTEES

CARSON CITY, May 3.--By a majority of 232 Alex McDonald was re-elected mayor of Carson yesterday. He received 456 votes and his opponent, Dave Evans, received 223. The old board of city trustees was re-elected with the addition of Col. Harry Day, who had no opposition.

SECRETARY NATIONAL HORSE SHOW IS DEAD

(By Associated Press.)

NEW YORK, May 3.--James Trolleyan Hyde, secretary of the national horse show association, died here yesterday at the age of 60 years.

WEST END BULLION MAKES GOOD SHOWING FOR THE PAST MONTH

♦ The West End mill shipped this morning 37 bars of bullion weighing 60,548 ounces representing the production for the last half of April. It has been customary to figure the gold and silver contents of local bullion at 75 cents an ounce but, in view of the fact that silver alone is quoted at 77 1/4 cents, it is safe to base the value of this shipment at 80 cents an ounce or a total of \$48,438.40. The production for the first half of the month was 80 bars weighing 61,853 ounces valued at \$50,889.75 on the former basis of 75 cents. ♦ This brings the monthly output of the West End mill up to \$99,228.15 one of the best months in the history of the company.

WAITING FOR ADVICE FROM GEN. FUNSTON

TONOPAH STOCKS FAIL TO RE- SPOND TO SILVER ADVANCE AS WAS EXPECTED

The diffidence of the outside investor was never more apparent than today when silver was quoted at 77 1/4 cents with a bloyant metal market. Locally buying orders were numerous but in the east and on the coast there seemed a desire to hold back. This was ascribed to the Mexican situation and the possibility of international complications on the western border although it is generally conceded that any hostile action in that quarter would imply a further restriction of the production of silver in Mexico. ♦ Tonopah Extension scored a sharp gain going up to \$7.00, but the other stocks were unchanged around the closing figures of Monday. Great Western was strong among the juniors with sales in New York of round lots at eight cents. Cash Boy was in demand, 83,000 shares changing hands and closing at 8 cents.

PERCY POLLOCK returned this morning from a visit to the San Diego exposition. He praises the big show but is not enthused over being compelled to wait six hours on the desert owing to a disabled locomotive.
